*This is dependent on your child - timings can be longer or shorter. It is essential children still get opportunities for plenty of independent play.

Phonics-

Please use the links provided on Seesaw to access the Read, Write, Inc phonics lessons. The links will go up in the morning and will only last 24 hours.

All children will be allocated Set 1 sounds for revision for the next few weeks. Children will not be taught any new sounds at the moment.

Handwriting

There will be 2 sheets uploaded to practice certain letters daily.

Reading

Please access reading material on Oxford Owl that you think is suitable for your child's reading age. On return to school, we will be reassessing the children on Read, Write, Inc to ensure that your child/ren are on the correct band.

Your child's class login for Oxford Owls:

Username: acorn1 class Password: Acorn123

English-

Please use the links provided on Seesaw to access the English lessons. Watch and join in with the lessons and send me a photograph of your work once you have completed it.

Maths-

Please see the weekly plan on Seesaw. Your child's maths session needs to be as practical as possible. Involve lots of careful counting and using the language that is in **bold** on the plan.

Curriculum-

Your child will be provided with some additional activities linked to a story from next week (11/01/2021).

Physical Activity -

This could be a bike ride, walk or jog. Or if it's too cold or rainy maybe try a Joe Wicks session, a Cosmic Kids yoga session (YouTube), a Go Noodle dance session (YouTube) or a Kidz Bop Dance Along video (YouTube).

Thank you for your continued support.
