Curriculum (1 hour)	Curriculum (1 hour)	Curriculum (1 hour)	Curriculum (1 hour)	Curriculum (1 hour)
Story Time (10 minutes)	Story Time (10 minutes)	Story Time (10 minutes)	Story Time (10 minutes)	Story Time (10 minutes)

*This is dependent on your child - timings can be longer or shorter. It is essential children still get opportunities for independent play.

Phonics-

Please use the links provided on Seesaw to access the Read, Write, Inc phonics lessons.

Children will be allocated either Set 1 sounds or set 2 sounds for revision for the next few weeks. Children will not be taught any new sounds at the moment.

Handwriting –

Two sheets will be added to seesaw daily with a focus on a particular letter.

Reading/Story Time

Please access reading material on Oxford Owl that you think is suitable for your child's reading age. On return to school, we will be reassessing the children on Read, Write, Inc to ensure that your child/ren are on the correct band.

Your child's class login:

Username: acorn1 class

Password: Acorn123

Story time is an opportunity to share a story with your child and talk about it. Choose a book that you have at home, one of my videos or a video of a favourite story on YouTube. There are lots of videos of adults reading different stories available.

English-

Please use the links provided on Seesaw to access the English lessons. Watch and join in with the lessons and send me a photograph of your work once you have completed it.

Maths-

Your child's Maths lesson will continue to follow the same format that we use in school. This is the Do it, Twist it, Solve it approach. Please work through the lessons and answer the questions either on the power point or in your Maths home learning book.

Curriculum-

Your child will be provided with a curriculum subject to complete. This may be uploaded to Seesaw daily or it may be a project which will last a week.

Physical Activity -

This could be a bike ride, walk or jog. Or if its too cold or rainy maybe try a Joe Wicks session, a Cosmic Kids yoga session (YouTube), a Go Noodle dance session (YouTube) or a Kidz Bop Dance Along video (YouTube).

Thank you for your continued support.

Mrs Sophocli
