INSTRUMENTAL TUITION 2021/2022

Dear Parents/ Carers,

We are delighted to be working with Gloucestershire Music Academy to provide opportunities for instrument lessons in school.

Gloucestershire Academy of Music offers individual and small group music tuition on a wide range of instruments in primary schools throughout the county.

Their teachers are highly motivated and skilled musicians. They have all gone through a rigorous interview process to ensure that professional teaching standards are met and are checked by the Disclosure and Barring Service (DBS).

We are offering Instrumental lessons on:

- Violin (Year's 2, 3, 4, 5 and 6)
- Viola, cornet and trumpet (3, 4, 5 and 6)

Instrument lessons will be held in school.

Instruments

Gloucestershire Music Academy does not provide instruments for hire. However they are available from www.gloucestershiremusic.co.uk for a small fee.

- Violin and viola: £16.44 per full term (3 per year)
- Cornet and trumpet: £32.28 per full term (3 per year)

Lessons and Fees

There is a choice of individual or shared lessons (see prices below). The shared lessons add a social element to lessons, but any child will progress faster with individual lessons. At the teacher's recommendation, the pupils may move on to smaller group or individual lessons in order for them to receive more focused teaching. We offer quality music training aimed at making accomplished, happy performers. For the younger, beginner pupils, a 20 minute lesson option is recommended.

There are 10 lessons each term. If a teacher is absent, the lesson will either be made up later in the term or, if this is not possible, a credit will be issued on the following term's invoice.

Cost per 10-week term:

No. of Students	20 mins	30 mins
Solo lesson (1 pupil)	£126.00	£188.00
Shared lesson (2 pupils)	£63.00	£94.00

*Please note –The number in the shared/group lesson will depend on the number of similar applications received. Students may be encouraged to form a smaller group or to have individual lessons to progress more effectively or if there are not enough students to form a group, an individual option will be offered.
