28th February 2019

World Book Day

We will be celebrating World Book Day on Thursday 5th of March. We have lots of exciting activities planned for the children in school and by the end of the day we will have written a whole school story and created potato models of our favourite book characters. Please do join us for a whole school get together at 2:30pm when we will be sharing our story and showing off the models we have made.

If your child has a favourite book at home with their character in please can they bring it to school on Thursday.

Swimming

A reminder that Years 3 and 4 will be swimming this Wednesday. The swimming pool has asked that children do not bring goggles unless they have a medical reason for doing so. If this is the case the swimming pool will require a written letter to that effect.

Carleon Trip Year: 3 and 4

Year 3 and 4 are visiting Carleon this Friday. Please ensure children come to school in school uniform with a packed lunch and outdoor coat.

Fizz Pop Science

Fizz Pop Science Club starts this Friday (6th of March) and runs for five weeks.

Dean Forest Railway Trip: Year 1 and 2

Years 1 and 2 will be visiting Dean Forest Railway on the 1st of April. More details to follow.

Easter Service

We are ending the term with an Easter Service at St Peter’s Church at 2pm on Thursday 3rd of April. Everyone is invited to join us. The children will be dismissed from the Church at the end of the service.

UKMT

We are delighted to have been accepted as a UK Mathematics Trust school. This will enable us to enter our older child in national and international challenges. These are based on questions that enable children to apply the mathematical skills they are learning in school. Here is one for you to try at home.

Granny says “I am 84 years old – not counting Sundays.” How old is she really?

Games

We are looking at the ways we can improve playtimes as well as wanting to encourage children to play traditional board games. If you have any outdoor toys or board games that you no longer use but are still in good condition, we would love to give them a new home. Please contact Mrs Harris, Mrs Broady or Mrs Nolan.
