

Gloucestershire Reaching Families Service

The support we offer includes:

- Work with families who have children between the ages of 0-18 years.
- Whole family assessments - identifying strengths and goals as well as areas of support.
- Positive parenting programmes.
- Behaviour support - routines and boundaries work, signposting to specialist support.
- Family relationships mediation between Parent and Young person.
- Positive play and interaction - role modelling, age-appropriate play, tips, and guidance.
- Mentoring or 1:1 sessions with children and young people - at home, school or in the community.
- School transition support.
- Healthy lifestyles guidance.
- Connecting communities and people.
