Behavioural Management During the Coronavirus (COVID-19) Pandemic

Statement of intent

The school aims to act in accordance with the Behaviour Policy as much as possible, however we understand the necessity for additional rules and considerations while the school observes social distancing and infection control guidelines. This annex sets out what additional actions the school will take when phased reopening begins.

This annex is built on the underlying principle found in the Behaviour Policy and recorded in seventh chapter of the Gospel of Matthew: *"So in everything, do to others what you would have them do to you"*. It focuses on children ensuring that they keep others safe and that others keep them safe.

The Behaviour Policy used three key words: 'Ask', 'Tell', 'Send'. During this period of social distancing, the phrase 'Send' will be replaced by 'Send for', and adults will send for the Headteacher who will be able to withdraw a child from their social bubble for a period of time, if required.

The information in this appendix is under constant review and kept updated to reflect any changes to national or local guidance.

- 1.4 The school expects pupils to uphold these rules at all times, including on school transport, where practicable.
- 1.5 Staff are informed of discipline and rewards in place to aid enforcement of these rules in line with this policy.
- 1.6 Where required, staff explicitly teach and supervise health and hygiene arrangements, e.g. handwashing, tissue disposal and toilet flushing.

- 3.2 The school understands that younger children cannot be expected to remain two metres apart from others at all times and takes this into account with regards to discipline and giving rewards.
- 3.3 Younger children should stick to their class groups and avoid mixing as much as possible – staff reinforce this behaviour through teaching, rewards and supervision.
- 3.4 Pupils are expected to wash their hands for at least 20 seconds with soap and water, and/or alcohol-based hand sanitiser:
 - Upon arrival at and departure from the school.
 - Before and after consuming food.

 - Whenever entering the building from outside
- 3.5 Pupils are expected to maintain good hand and respiratory hygiene at all times while in school, to the best of their ability.
- 3.6 Pupils are expected to dispose of tissues using the litter bins provided.
- 3.7 Pupils are expected to use infection control provisions responsibly, e.g. using hand sanitiser as directed.
- 3.8 Pupils are discouraged from sharing equipment or toys which pose a higher risk of infection, e.g. play dough.
- 3.9 The school prohibits pupils from spitting, biting, purposefully coughing in another person's vicinity, or other behaviours that increase the risk of spreading infection, e.g. purposefully disposing of soiled tissues in an unsafe manner.
- 3.10 Pupils whose behaviour is purposefully contrary to the infection control measures in place will be disciplined in line with this policy.

- 3.11 Pupils who are deemed unable to fully adhere to infection control rules, e.g. some pupils with SEND or younger children, are not disciplined for poor behaviour in this regard – positive behaviour is reinforced using praise and rewards.
- 3.12 Members of staff encourage pupils who are deemed unable to fully adhere to infection control rules to practice good infection control behaviours to the best of their ability, through teaching, praise and supervision.
